Sponsor A Retreat - Let Us Handle The Details

Did you know...

that you can sponsor or reserve a Faith and Marriage Retreat for your parish?

We plan, organize and lead the retreat and the Christian Life Center takes care of all the accommodations and meals. All you have to do is promote and market the retreat to your married couples!

Need help with...

marketing and registration for your weekend?

We can offer you customized marketing materials for your parish. We also offer a web page where your couples can register for the weekend. We can take care of all the logistics so you can focus on your couples!

What's the difference...

between reserving and sponsoring?

Reserving a weekend means the couples will pay the suggested donation themselves. When you sponsor a marriage retreat for your parish, you will open the door for more couples in your parish to attend as the cost of the retreat will be covered for them. What an amazing witness to those in your parish that marriage is worth the investment!
